

Niton Central News

wk 2 Sept 13 - 17, 2021

On to week two!

What a great first week here at Niton Central School! I've observed a lot of learning, relationship building and students at play on my walkabouts and supervision this week. I have enjoyed meeting our students and bus drivers and I have also met many parents and guardians as students were dropped off or picked up from school. I look forward to continuing to meet members of the Niton Central School community as the month progresses. Please note in the UpComing section that School Council and the Niton Central School's Fundraising Society's meeting date has changed so it did not overlap election day.

Wishing everyone a great week ahead!
